REPORT OF PROFESSIONAL SKILLS COURSE
ACADEMIC YEAR 2022-23

Name of the Course: "Professional Skills"

Duration of Course: 04/08/22 to 10/10/22

Name of Course Co-ordinator: Dr. A. S. Lunkad

Class: Second Year B. Pharm (Sem-III)

Syllabus: Resume skill, Interview skill, Group discussion skill, Exploring career opportunities, Presentation skill, Trust and Collaboration, Listening as a team skill, Brainstorming, Social and cultural etiquettes, Internal communication

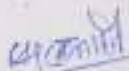

Scope of the Course: After completion of this course students/individuals are well prepared to take on new challenges and opportunities. With the increasing use of technology in the way we live, learn and work, it is critical for students/individuals to be able to utilize basic computing concepts and also have and espouse excellent Team Skills. Collaborating and working together can assist in resolving complex problems, which allow/offers individuals an opportunity to articulate new ideas and perspectives. It further allows learner / individuals design, develop, problem solve and to adapt to situations based on their experience and skills.

Number of Participants: 76

Summary of the Course:

This is a short term course designed under the guidance of Principal Sir for second year students on Professional Skills (Career skills and Team skills) from 04/08/22 to 10/10/22. For this course 76 students were enrolled. Lectures were conducted as per designed schedule. Students were attended all sessions with enthusiasm and true involvement. For each session attendance was taken. At the end of this course students will be capable to explore desired career opportunities in the employment market in consideration of an individual SWOT. After completion of this course, students were evaluated and certificates were given to all students.

REPORT OF LEADERSHIP AND MANAGEMENT SKILLS COURSE
ACADEMIC YEAR 2022-23

Name of the Course: "Leadership and Management Skills"

Duration of Course: 05/08/22 to 10/10/22

Name of Course Coordinator: Prof P. S. Vishwe/ Prof. S. R. Zade

Class: Third Year B. Pharm (Sem-V)

Syllabus: Leadership skill, Managerial skill, Entrepreneurial skill, Innovative Leadership and design thinking, Ethics and Integrity.

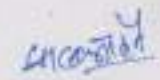

Scope of the Course: Leaders are foundations of the society, who face and win against adversities and odds of life. Through their words and deeds, they show path to others and transform into inspirational role models, affecting social life vividly. In the current times of cut-throat competitions, disbelief in values, techno-centric complex lifestyles, there is a dire need to emphasize the 'human' agency in community living. This can be done by cultivating and nurturing the innate leadership skills of the youth so that they may transform these challenges into opportunities and become torch bearers of the future by developing creative solutions.

Number of Participants: 74

Summary of the Course:

This is a short term course designed under the guidance of Principal Sir for Third year students on "Leadership and Management Skills" from 05/08/22 to 10/10/22. For this course 74 students were enrolled. Lectures were conducted as per designed schedule. Students were attended all sessions with enthusiasm and true involvement. For each session attendance was taken. At the end of this course students will be able to demonstrate a set of practical skills such as time management, self-management, handling conflicts, team leadership, etc. and to understand the basics of entrepreneurship and develop business plans. After completion of this course, students were evaluated and certificates were given to all students.

REPORT OF COMMUNICATION SKILLS COURSE
ACADEMIC YEAR 2021-22

Name of the Course: "Communication Skills"

Duration of Course: 02/01/22 to 27/03/22

Name of Course Coordinator: Dr. M. S. Tare

Class: First Year B- Pharm (Sem-I)

Syllabus: Listening, Speaking, Reading, Different modes of writing, Digital literacy, Effective use of Social Media, Nonverbal Communication.

Scope of the Course:

1. To enhance one's ability to be fully self-aware by helping oneself to overcome all fears and insecurities and to grow fully from inside out and outside in.
2. To increase one's knowledge and awareness of emotional competency and emotional intelligence at place of study/work.
3. To provide opportunity for realizing one's potential through practical experience.
4. To develop interpersonal skills and adopt good leadership behaviour for empowerment of self and others.
5. To set appropriate goals, manage stress and time effectively.
6. To manage competency-mix at all levels for achieving excellence with ethics.

Number of Participants: 68

Summary of the Course:

This is a short term course designed under the guidance of Principal Sir for first year students on Communication Skills from 02/01/22 to 27/03/22. For this course 68 students were enrolled. Lectures were conducted as per designed schedule. Students were attended all sessions with enthusiasm and true involvement. For each session attendance was taken. At the end of this course participants will get clear understanding of what good communication skills are and what they can do to improve their abilities. After completion of this course students were evaluated and certificates were given to all students.

Class: Second Year B. Pharm (Sem-IV)

Syllabus: Resume skill, Interview skill, Group discussion skill, Exploring career opportunities, Presentation skill, Trust and Collaboration, Listening as a team skill, Brainstorming, Social and cultural etiquettes, Internal communication

Scope of the Course: After completion of this course students/individuals are well prepared to take on new challenges and opportunities. With the increasing use of technology in the way we live, learn and work, it is critical for students/individuals to be able to utilize basic computing concepts and also have and espouse excellent Team Skills. Collaborating and working together can assist in resolving complex problems, which allow/offers individuals an opportunity to articulate new ideas and perspectives. It further allows learner / individuals design, develop, problem solve and to adapt to situations based on their experience and skills.

Number of Participants: 75

Summary of the Course:

This is a short term course designed under the guidance of Principal Sir for second year students on Professional Skills (Career skills and Team skills) from 10/02/22 to 05/05/22. For this course 75 students were enrolled. Lectures were conducted as per designed schedule. Students were attended all sessions with enthusiasm and true involvement. For each session attendance was taken. At the end of this course students will be capable to explore desired career opportunities in the employment market in consideration of an individual SWOT. After completion of this course, students were evaluated and certificates were given to all students.

REPORT OF LEADERSHIP AND MANAGEMENT SKILLS COURSE

ACADEMIC YEAR 2021-22

Name of the Course: "Leadership and Management Skills"

Duration of Course: 10/02/22 to 05/05/22

Name of Course Coordinator: Prof P. S. Vishwe/ Prof S. R. Zade

Class: Third Year B. Pharm (Sem-VI)

Syllabus: Leadership skill, Managerial skill, Entrepreneurial skill, Innovative Leadership and design thinking, Ethics and integrity.

Scope of the Course: Leaders are foundations of the society, who face and win against adversities and odds of life. Through their words and deeds, they show path to others and transform into inspirational role models, affecting social life vividly. In the current times of cut-throat competitions, disbelief in values, techno-centric complex lifestyles, there is a dire need to emphasize the 'human' agency in community living. This can be done by cultivating and nurturing the innate leadership skills of the youth so that they may transform these challenges into opportunities and become torch bearers of the future by developing creative solutions.

Number of Participants: 71

Summary of the Course:

This is a short term course designed under the guidance of Principal Sir for Third year students on "Leadership and Management Skills" from 10/02/22 to 05/05/22. For this course 71 students were enrolled. Lectures were conducted as per designed schedule. Students were attended all sessions with enthusiasm and true involvement. For each session attendance was taken. At the end of this course students will able to demonstrate a set of practical skills such as time management, self-management, handling conflicts, team leadership, etc. and to understand the basics of entrepreneurship and develop business plans. After completion of this course, students were evaluated and certificates were given to all students.

REPORT OF PROFESSIONAL SKILLS COURSE

ACADEMIC YEAR 2020-21

Name of the Course: "Professional Skills"

Duration of Course: 01/07/20 to 14/09/20

Name of Course Coordinator: Dr. A. S. Lunkad

Class: Second Year B. Pharm (Sem-III)

Syllabus: Resume skill, Interview skill, Group discussion skill, Exploring career opportunities, Presentation skill, Trust and Collaboration, Listening as a team skill, Brainstorming, Social and cultural etiquettes, Internal communication

Scope of the Course: After completion of this course students/individuals are well prepared to take on new challenges and opportunities. With the increasing use of technology in the way we live, learn and work, it is critical for students/individuals to be able to utilize basic computing concepts and also have and espouse excellent Team Skills. Collaborating and working together can assist in resolving complex problems, which allow/offers individuals an opportunity to articulate new ideas and perspectives. It further allows learner / individuals design, develop, problem solve and to adapt to situations based on their experience and skills.

Number of Participants: 73

Summary of the Course:

This is a short term course designed under the guidance of Principal Sir for second year students on Professional Skills (Career skills and Team skills) from 01/07/20 to 14/09/20. For this course 73 students were enrolled. Lectures were conducted as per designed schedule. Students were attended all sessions with enthusiasm and true involvement. For each session attendance was taken. At the end of this course students will be capable to explore desired career opportunities in the employment market in consideration of an individual SWOT. After completion of this course, students were evaluated and certificates were given to all students.

REPORT OF LEADERSHIP AND MANAGEMENT SKILLS COURSE
ACADEMIC YEAR 2020-21

Name of the Course: "Leadership and Management Skills"

Duration of Course: 01/07/20 to 14/09/20

Name of Course Coordinator: Prof P. S. Vishwe/ Prof S. R. Zade

Class: Third Year B. Pharm (Sem-V)

Syllabus: Leadership skill, Managerial skill, Entrepreneurial skill, Innovative Leadership and design thinking, Ethics and integrity.

Scope of the Course: Leaders are foundations of the society, who face and win against adversities and odds of life. Through their words and deeds, they show path to others and transform into inspirational role models, affecting social life vividly. In the current times of cut-throat competitions, disbelief in values, techno-centric complex lifestyles, there is a dire need to emphasize the 'human' agency in community living. This can be done by cultivating and nurturing the innate leadership skills of the youth so that they may transform these challenges into opportunities and become torch bearers of the future by developing creative solutions.

Number of Participants: 70

Summary of the Course:

This is a short term course designed under the guidance of Principal Sir for Third year students on "Leadership and Management Skills" from 01/07/20 to 14/09/20. For this course 70 students were enrolled. Lectures were conducted as per designed schedule. Students were attended all sessions with enthusiasm and true involvement. For each session attendance was taken. At the end of this course students will able to demonstrate a set of practical skills such as time management, self-management, handling conflicts, team leadership, etc. and to understand the basics of entrepreneurship and develop business plans. After completion of this course, students were evaluated and certificates were given to all students.

REPORT OF LEADERSHIP AND MANAGEMENT SKILLS COURSE

ACADEMIC YEAR 2019-20

Name of the Course: "Leadership and Management Skills"

Duration of Course: 01/07/19 to 11/09/19

Name of Course Coordinator: Prof. P. S. Vishwe

Class: Third Year B. Pharm (Sem-V)

Syllabus: Leadership skill, Managerial skill, Entrepreneurial skill, Innovative Leadership and design thinking, Ethics and integrity.

Scope of the Course: Leaders are foundations of the society, who face and win against adversities and odds of life. Through their words and deeds, they show path to others and transform into inspirational role models, affecting social life vividly. In the current times of cut-throat competitions, disbelief in values, techno-centric complex lifestyles, there is a dire need to emphasize the 'human' agency in community living. This can be done by cultivating and nurturing the innate leadership skills of the youth so that they may transform these challenges into opportunities and become torch bearers of the future by developing creative solutions.

Number of Participants: 65

Summary of the Course:

This is a short term course designed under the guidance of Principal Sir for Third year students on "Leadership and Management Skills" from 01/07/19 to 11/09/19. For this course 65 students were enrolled. Lectures were conducted as per designed schedule. Students were attended all sessions with enthusiasm and true involvement. For each session attendance was taken. At the end of this course students will able to demonstrate a set of practical skills such as time management, self-management, handling conflicts, team leadership, etc. and to understand the basics of entrepreneurship and develop business plans. After completion of this course, students were evaluated and certificates were given to all students.

REPORT OF COMMUNICATION SKILLS COURSE

ACADEMIC YEAR 2018-19

Name of the Course: "Communication Skills"

Duration of Course: 09/08/18 to 25/10/18

Name of Course Coordinator: Dr. M. S. Tare

Class: First Year B. Pharm (Sem-I), Second Year B. Pharm (Sem-III)

Syllabus: Listening, Speaking, Reading, Different modes of writing, Digital literacy, Effective use of Social Media, Nonverbal Communication.

Scope of the Course:

1. To enhance one's ability to be fully self-aware by helping oneself to overcome all fears and insecurities and to grow fully from inside out and outside in.
2. To increase one's knowledge and awareness of emotional competency and emotional intelligence at place of study/work.
3. To provide opportunity for realizing one's potential through practical experience.
4. To develop interpersonal skills and adopt good leadership behaviour for empowerment of self and others.
5. To set appropriate goals, manage stress and time effectively.
6. To manage competency- mix at all levels for achieving excellence with ethics

Number of Participants: First Year B. Pharm (Sem-I)-60, Second Year B. Pharm (Sem-III)-15

Summary of the Course:

This is a short term course designed under the guidance of Principal Sir for first and second year students on Communication Skills from 09/08/18 to 25/10/18. For this course 75 students were enrolled. Lectures were conducted as per designed schedule. Students were attended all sessions with enthusiasm and true involvement. For each session attendance was taken. At the end of this course participants will get clear understanding of what good communication skills are and what they can do to improve their abilities. After completion of this course, students were evaluated and certificates were given to all students.

REPORT OF PROFESSIONAL SKILLS COURSE

ACADEMIC YEAR 2018-19

Name of the Course: "Professional Skills"

Duration of Course: 02/07/18 to 10/09/18

Name of Course Coordinator: Dr. A. S. Lunkad

Class: Third Year B. Pharm (Sem-V)

Syllabus: Resume skill, Interview skill, Group discussion skill, Exploring career opportunities, Presentation skill, Trust and Collaboration, Listening as a team skill, Brainstorming, Social and cultural etiquettes, Internal communication

Scope of the Course: After completion of this course students/individuals are well prepared to take on new challenges and opportunities. With the increasing use of technology in the way we live, learn and work, it is critical for students/individuals to be able to utilize basic computing concepts and also have and espouse excellent Team Skills. Collaborating and working together can assist in resolving complex problems, which allow/offer individuals an opportunity to articulate new ideas and perspectives. It further allows learner / individuals design, develop, problem solve and to adapt to situations based on their experience and skills.

Number of Participants: 65

Summary of the Course:

This is a short term course designed under the guidance of Principal Sir for third year students on Professional Skills (Career skills and Team skills) from 02/07/18 to 10/09/18. For this course 65 students were enrolled. Lectures were conducted as per designed schedule. Students were attended all sessions with enthusiasm and true involvement. For each session attendance was taken. At the end of this course students will capable to explore desired career opportunities in the employment market in consideration of an individual SWOT. After completion of this course, students were evaluated and certificates were given to all students.

FEEDBACK FROM GUEST OF HONOR

Name- MR. NILESH GADEKAR

Topic- Pharmacovigilance & Glossary

Date- 02/09/2018 **Venue-** STCOP, Auditorium

Time- 9.30 am To 12:30 pm

Audience- Final year students

Views Regarding audience -

Students are really good in terms of knowledge.
Most of the students are seem to be more approachable
and eager to learn more about new domain of
PV.

Feedback -

Students Need to work upon soft skills & communication
skills.

They do have knowledge about the topic but
lack of confidence, which can be worked upon.

FEEDBACK FROM STUDENTS

NAME OF PROGRAMME - Student Development programme- Training & Placement

SUBJECT- Career guidance in Regulatory Affairs, Pharmacovigilance & Clinical trial

GUEST OF HONOR - MRS. ARCHANA GAWADE

21st July 2018

NAME OF STUDENT - Holkar Sneha Dattatray

YEAR - Final Year B. Pharm.

FEEDBACK -

The guidance given by the Archana mam was very helpful to us. It was very helpful to us to know what kind of career in the field of RA, PV & Clinical trial.

The lecture arranged by our college gives us the informative knowledge about the 3 courses. I think this kind of lecture are always arrange by the college for students.

We want to know about all 3 courses in same fee. I also want such sessions from the professionals of industries.
