INSTITUTIONAL GOVERNANCE

The altruistic vision & aspiration of Hon'ble Bapusahebji Thite, to start & propagate higher technical education to the students of rural areas and ultimately boost the socio-economic progress of the rural people, laid the foundation of "Shri Chhatrapati Sambhaji Shikshan Sanstha" at Shirur.

Vision: To become a center of excellence nurturing value based education by empowering Pharmacy professionals with Gyan (Knowledge) Buddhi (Wisdom), Vivek (Consciousness) and swayampurnatha (Self-reliance) to foster need of plural society.

Mission: To pursue high quality pharmacy education for training, research and management to produce the professionals with altruistic leaders to assure and active role in providing accomplished, ethical and compassionate patient care that improves the health and quality of life.

Institutional Governance:

The governance of the institution is purely based on the stated Vision and Mission. The institute offers the eco-friendly infrastructure, learning atmosphere, well qualified teaching faculties and supportive staff which makes institute student centric. This strengthens the students to overcome various circumstances and drastic situations and make them confident in all aspects so that they can handle the rapidly changing and increasingly situations. The Governing body (GB) and college development committee (CDC) is constituted by institute as per guideline and norms of AICTE & Savitribai Phule Pune University (SPPU). The Governing Body & CDC are headed by

President of Society /Institute. IQAC committee and governing body of institute decides the future perspective plan related to the development of the institute and its academic standards. The requirements and regulations laid by governing bodies such as AICTE, DTE, PCI and SPPU and also by the Sanstha and college comply time to time. The policies decided in GB and CDC is implemented through the principal and deliberating responsibilities to various institutional committees/In-charges.

Implementation of E-governance, in all academic and administrative process, results in the smooth functioning of the institution that provides efficient and simpler system of governance. Transparency and accountability is vastly maintained in all aspects of the institute with implementation of E-governance. Ecofriendly environment is maintained by the use E-governance of in the college as it's easier to achieve and create a paperless work. The Institution has a transparent and well planned financial management system for optimal utilization of the funds. The main source of income for the institute is the fees which is decided by State fee regulatory authority and collected from the students.

In conclusion, The Institute believes in decentralization, hence different committees have constituted to discharge various responsibilities. Prominent Stakeholders are part of various committees involved in planning and decision. This leads to grooming leadership & abilities at all levels.
