Incorporating discussions, group work, case studies, and problem-solving activities.

Neutral

Excellent

Good

Encourage and motivates to do study as well other activity

Nothing

Good teaching staff

1. Overall College doing Well for Bachelor students. but I want to give some add-on. Increase lec. from 1 hr to 1.15 hr per lec. This will ensure Completion of topic and better linking with students because in 1hr lectures will conclude in 45 to 50 min so it's better if we increase the time of lec. so teacher gets extra time to better explain.

Provide more projects

Conduct competition

Provide elective courses

Good

Give skill development sessions, also placement related guidelines to students, industrial skill development guidance to students

1) Provide new technology updates: Provide monthly updates on new technology.

2) Create a positive learning environment: Create a positive learning environment and connect with students.

Improve library

Drinking water facility on each floor

The teachers are very helpful and supportive

It's good ...remove partiality in students

There are some extra lectures for competitive exam

All ok

Use better graphics and visual media to engage students well
