SITABAI THITE COLLEGE OF PHARMACY, SHIRUR

TRAINING & PLACEMENT CELL

Webinar on "Exploring the Interface between Drug Development, Bio-imaging and Drug Delivery"

Academic year: 2022-2023

Date: 14/08/2023

Class: Third & Final Year B. Pharm

Time: 11:00pm-11:45pm

Name of Guest Speaker- Dr. Paragj Poddar

SC0003's Sitabai Thite College of Pharmacy organized webinar on "Exploring the Interface between drug development, bio-imaging and drug delivery".

Dr. Paragj Poddar a renowned expert in the field, delves into the intricate connections between drug development, bio-imaging and drug delivery.

He discussed the recent advancements in bio-imaging technologies that have revolutionized the way researchers observe and understand biological processes.

Dr. Poddar discussed the impact of technologies such as MRI, PET scans and fluorescence imaging on drug development and delivery. He highlighted the challenges associated with drug delivery, including achieving targeted delivery to specific cells or tissues.

He discussed nanotechnology and other emerging approaches that hold promise in overcoming these challenges and improving the efficiency of drug delivery systems.

He discussed case studies and success stories that showcased real-world applications of the synergy between drug development, bio-imaging and drug delivery.

SCHOOL
SITABAI THITE COLLEGE OF PHARMACY, SHIRUR
TRAINING & PLACEMENT CELL

Webinar on "Regulations in Pharma and Biotech Industry"

Academic year- 2023-2024

Class: Third & Final Year B. Pharm

Date- 18/08/2023

Time-11:00am-12:00pm

Name of Guest Speaker: Ms. Kiril Aphihe

SCHOOL's Sitabai Thite College of Pharmacy organized webinar on "Regulations in Pharma and Biotech Industry".

Ms. Aphihe provided a comprehensive overview of regulatory landscape in the pharmaceutical and biotechnology sectors, shedding light on the critical importance of compliance and its impact on these industries.

She began by introducing the regulatory framework governing the pharma and biotech industries. She explained the roles of various regulatory bodies and agencies, such as FDA and EMA, in ensuring safety and efficacy.

Ms. Aphihe outlined the regulatory requirements throughout the drug development process, from pre-clinical research and clinical trials to new drug applications (NDAs) and post-market surveillance. She also explained critical role of quality assurance and compliance with Good Manufacturing Practices (GMP) and Good Clinical Practices (GCP).

She also shed light on the challenges and benefits of harmonization.

Principal
SITABAI THITE COLLEGE OF PHARMACY
Shirur (Ghodas), Dist. Pune

Students learned about the rigorous standards that companies must adhere to for ensuring product quality and patient safety.

The also discussed about the skills and competencies that students need to acquire during their college studies. Students benefited from various informative and interesting.

The poster is for a 'Virtual Talk' organized by the Training & Placement Cell of Sitabai Thite College of Pharmacy, Shirur. It features a portrait of Mrs. Kirti Aphale, a Microbiologist, who is the guest speaker. The topic of the talk is 'INTRODUCTION OF OPPORTUNITIES IN PHARMACEUTICAL SECTOR & REGULATIONS IN PHARMA AND BIOPECM INDUSTRY'. The event is convened by Dr. D.G. Baheti and coordinated by Prof. P. D. Wanjul. It is scheduled for 15th AUG 2023 at 11:00 AM. The meeting link is provided as [HTTPS://MEET.GOOGLE.COM/FRF-JNKR-HAP](https://meet.google.com/FRF-JNKR-HAP). The poster includes the college's logo and name at the top.

SCSSS's

SITABAI THITE COLLEGE OF PHARMACY, SHIRUR

TRAINING & PLACEMENT CELL.

Webinar on "Overview of Vaccine Industry"

Academic year- 2023-2024

Date- 04/06/2023

Class: Third & Final Year B. Pharm

Time- 1.00pm-1.30pm

Name of Guest Speaker: Dr. Shankar Chinchikar

SCSSS's Sitabai Thite College of Pharmacy organized webinar on "An Overview of Vaccine Industry".

The webinar by Dr. Shankar Chinchikar provided a comprehensive insight into the vaccine industry by offering deep understanding of its history, current state and future prospects.

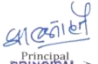

Dr. Chinchikar commenced the webinar by providing a historical overview of vaccines. He discussed the evolution of vaccine production techniques and highlighted the transition from conventional approaches to modern recombinant DNA technology.

Dr. Chinchikar delved into the intricate process of vaccine development, from the initial research and preclinical studies to clinical trials, regulatory approvals and post-market surveillance. He also discussed various vaccine types including inactivated, live attenuated, subunit and mRNA vaccines and also explained their applications in preventing a wide range of infectious diseases.

Discussed the challenges faced by the vaccine industry, such as the need for cold chain storage and distribution and highlighted recent innovations in vaccine technology.

Also shed the light on recently approved seasonal influenza vaccines.

SCSSS's
SITABAI THITE COLLEGE OF PHARMACY, SHIRUR
TRAINING & PLACEMENT CELL

Webinar on "Microencapsulation Techniques for Drug Delivery"

Academic year- 2023-2024

Class: Third & Final Year B. Pharm

Date- 06/03/2023

Time-10.30am-11.00am

Name of Guest Speaker: Mr. Pravin Nalawade

SCSSS's Sitabai Thite College of Pharmacy organized webinar on "Microencapsulation techniques for drug delivery".

The webinar by Mr. Pravin Nalawade was an insightful exploration of the innovative methods and applications of microencapsulation in the field of drug delivery.

He began by introducing the fundamentals of microencapsulation, explaining how it involves the encapsulation of active pharmaceutical ingredients (APIs) within micro-sized particles. He emphasized the importance of this technique in enhancing drug effectiveness. Also, he highlighted the various advantages of microencapsulation, including improved drug stability & controlled release. These benefits play a crucial role in enhancing patient compliance and therapeutic outcomes.

He explored a range of microencapsulation techniques, such as Air suspension, Coacervation phase separation, Spray drying, Congelation, Pan coating, Solvent evaporation. Mr. Nalawade provided insights into the principles and suitability of these techniques for different types of drugs.

Students gained knowledge about the wide-ranging applications of microencapsulation in drug delivery. He also touched upon the challenges associated with microencapsulation, including scaling up production and regulatory considerations.

SCSS's

SITABAI THITE COLLEGE OF PHARMACY, SHIRUR

TRAINING & PLACEMENT CELL

Webinar on "Current Good Manufacturing Practices (cGMP) and Personal Hygiene"

Academic year- 2023-2024
Date- 18/09/2023

Class: Second, Third & Final Year B. Pharm
Time- 03.00pm-04.00pm

Name of Guest Speaker: Mr. Abhinav Ajgaonkar

SCSS's Sitabai Thite College of Pharmacy organized webinar on "Current Good Manufacturing Practices and Personal Hygiene" on the occasion National cGMP Day celebration.

The event aimed to shed light on the importance of Current Good Manufacturing Practices and personal hygiene.

Mr. Abhinav is currently working at Cetus Pharmaceuticals, Goa and has 18 years of experience in quality management, compliance and quality control. He handled USFDA, WHO(Geneva/India) TGA, ANVISA, Food & Drug authority as quality assurance head.

He mentioned Current Good Manufacturing Practices are a set of guidelines and regulations that ensure quality and safety of products such as pharmaceuticals, food and cosmetics. He also added adherence to cGMP standards is essential to maintain product quality and consumer safety.

Mr. Ajgaonkar stressed the vital role of personal hygiene in maintaining cGMP compliance. Good personal hygiene, including handwashing, proper attire, and cleanliness, helps prevent contamination of products and ensures their quality. Five key principles of cGMP were also

Lecture 8:

SCSSS's
SITABAI THITE COLLEGE OF PHARMACY, SHIRUR
TRAINING & PLACEMENT CELL

Workshop on "Skill Enhancement"

Academic year- 2023-2024

Class: Final Year B. Pharm

Date- 22/12/2023

Time- 12.15 pm-1.15pm

Name of Guest Speaker-Mr. Shirish Deshpande

SCSSS's Sitabai Thite College of Pharmacy organized guest lecture on "Skill Enhancement".

Mr. Shirish Deshpande began with an overview of the fundamental principles of production and operations management.

He discussed key concepts, methodologies and best practices in these critical areas of organizational functioning.

He delved into the significance of strong organization skills in the context of production and operations. Students gained insights into effective time management, task prioritization, and the creation of streamlined workflows to enhance overall efficiency.

He also emphasized the role of technology in modern production and operations.

Mr. Deshpande discussed the integration of technological tools and software for better organization, process automation and data driven decision making.

Throughout the session Mr. Deshpande incorporated interactive activities.

SCSSS's
SITABAI THITE COLLEGE OF PHARMACY, SHIRUR
TRAINING & PLACEMENT CELL

Guest lecture on "Campus to Corporate"

Academic year- 2023-2024

Class: Final Year B. Pharm

Date- 22/12/2023

Time- 11.00 am-12.00pm

Name of Guest Speaker-Mr. Prasad Bhagwat

SCSSS's Sitabai Thite College of Pharmacy organized guest lecture on "Campus to Corporate".

Mr. Prasad Bhagwat a seasoned professional with extensive experience in the corporate world delivered an insightful guest lecture on the crucial transition from campus life to the corporate realm.

The lecture aimed to equip students with the knowledge and skills necessary to navigate this challenging journey successfully.

Mr. Bhagwat emphasized the significant difference between academic and corporate environments. He discussed the importance of bridging this gap by developing practical skills, including effective communication, problem-solving and time management.

Students were encouraged to participate in internships and engage in real-world projects to gain hands-on experience.

He elaborated on the importance of interpersonal skills, adaptability and a positive attitude.

An integral part of the lecture focused on professional etiquette and workplace conduct. Mr. Bhagwat provided insights into corporate culture, stressing the significance of dressing appropriately, respecting colleagues and understanding organizational hierarchies. He highlighted the dynamic nature of the corporate landscape and the importance of continuous learning.

Principal
Sitabai Thite College of Pharmacy
Shirur (Chhindoli), Dist. Pune

He encouraged students to stay updated with industry trends, pursue additional certifications.

Lifelong learning, is key to sustained success.

Goal setting and effective time management were discussed as a critical skill for a successful transition. He shared practical strategies for setting both short-term and long-term career goals, emphasizing the need for a proactive and organized approach to workload management.

His practical advice, coupled with real-world examples, empowering the students to approach their future careers with confidence and well-rounded skill set.

Webinar on "Drug Discovery and Development: Concept to Clinic"

Academic year- 2023-2024

Class: Third & Final Year B. Pharm

Date- 06/01/2024

Time-2.30pm-3.45pm

Name of Guest Speaker- Dr. Navnath P. Karche

SCSSS's Sitabai Thite College of Pharmacy organized webinar on "Drug discovery and development: concept to clinic".

Dr. Navnath Karche an esteemed expert in the field, shared his wealth of knowledge with students offering a comprehensive overview of the challenges in the drug development.

Dr. Karche began by elucidating the fundamental concepts of drug discovery. He explained the significance of identifying potential drug targets, the role of target validation and the initial steps in the discovery phase.

He also covered the use of cutting-edge technologies in drug discovery, including computational approaches, high-throughput screening and molecular modelling.

He also highlighted how these technologies have accelerated the identification and optimization of potential drug candidates.

Students gained insights into the sequential stages of the drug development pipeline, from preclinical studies to clinical trials.

Webinar on "Project Management Role in Pharma Industry/ Phases of Project Life Cycle"

Academic year- 2023-2024

Class Third & Final Year B. Pharm

Date- 10/02/2024

Time- 10.30 am-11.30am

Name of Guest Speaker- Mrs. Kavari Hande

SCSSS's Sitabai Thite College of Pharmacy organized webinar on "Project Management Role in Pharma Industry/ Phases of Project Life Cycle".

Mrs. Kavari Hande a project management professional with extensive experience in the pharmacy industry delivered an insightful webinar on the critical role of project management in pharmacy operations.

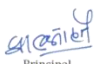

Mrs. Hande began by defining project management as the application of knowledge, skills, tools and techniques to meet the project requirements within specified constraints.

She divided the project life cycle into its distinct phases such as:

1. **Initiation:** Identifying and defining project objectives, stakeholders and scope. This phase involves conceptualizing new drug development or process improvement initiatives.
2. **Planning:** Developing detailed plans including resources, schedules, budgets, and risk management strategies.
3. **Execution:** Implementing the plans created during the planning phase, including procurement, team management and project monitoring.
4. **Closure:** Formalizing project completion, documenting lessons learned, and transitioning deliverables.
5. **Challenges and strategies:** Mrs. Hande highlighted common challenges encountered in pharmacy projects, such as regulatory hurdles, resource constraints and market dynamics.

Students gained valuable insights about project life cycle management and learned practical strategies for overcoming challenges.

Webinar on "Pharma R & D: Overview on Product Development"

Academic year- 2023-2024

Class: Final Year B. Pharm

Date- 02/03/2024

Time-10.30 am-11.45 am

Name of Guest Speaker- Mr. Abhay Vaidya

SCSSS's Sitabai Thite College of Pharmacy organized webinar on **"Pharma R & D: Overview on Product Development"**.

Mr. Abhay Vaidya an esteemed expert in the field provided an overview of the processes involved in bringing pharmaceutical products to market.

Mr. Vaidya began by explaining the significance of research and development (R & D) in the pharmaceutical industry. He highlighted how R & D plays a crucial role in discovering and developing new medicines to address various health challenges.

He outlined the stages involved in product development, starting from initial research and preclinical studies to clinical trials and regulatory approval.

He also emphasized importance of clinical trials in evaluating the safety and efficacy of new drugs and discussed the different phases of clinical trials and their significance in gathering data to support regulatory approval.

He also discussed requirements of packaging selection and fundamentals of packaging development.

Throughout the webinar, he highlighted the challenges faced by pharmaceutical companies, such as stringent regulatory requirements and the high cost of R & D.

He also pointed out the opportunities for innovation and growth in the industry.
