## INDUSTRIAL VISIT REPORT

The industrial visit to S.G. Phyto Pharma Pvt Ltd, Kolhapur was organized on 28<sup>th</sup> February 2019 for Final Year students. The primary objective was to provide students with a practical understanding of the operations within the pharmaceutical sector, with a specific focus on S. G. Phyto Pharma Pvt, Ltd and its activities.

### Objective of the visit:

1. To gain insights into the production of Phyto-pharmaceuticals.
2. To understand the quality control procedures in the manufacturing of herbal medicines.
3. To observe the overall functioning of S. G. Phyto Pharma Pvt, Ltd.

### Visit Highlights:

**Overview:** The visit commenced with an introduction to S.G. Phyto Pharma Pvt Ltd, outlining its history, mission and specialization in the production of herbal medicines.

**Manufacturing Process:** Students were guided through the manufacturing unit, where they witnessed the various stages involved in producing phyto-pharmaceuticals. The process, from sourcing raw materials to the final packaging was explained in simple terms to enhance understanding.

**Quality Control Procedures:** A significant portion of the visit was dedicated to the quality control department. Students were given insights into the meticulous checks and measures implemented by the company to ensure the quality and authenticity of their herbal products.

### Learnings:

The industrial visit to Bora Pharma Pvt. Ltd proved to be an enriching experience for the students.

Some key takeaways include:

1. Understanding the unique aspects of phyto-pharmaceutical production.
2. Significance of quality control in herbal medicine manufacturing.
3. Gaining exposure to real-world applications of pharmaceutical knowledge.

The exposure to real-world industrial practices provided students with a deeper understanding of pharmaceutical Industry.
