

"NURTURING PHARMACY PROFESSIONALS
THROUGH VALUE BASED EDUCATION"

Shri Chhatrapati Sambhaji Shikshan Sanstha's
SITABAI THITE COLLEGE OF PHARMACY

Shirur Dist., Pune-412 210

INTRODUCTION

Shri Chhatrapati Sambhaji Shikshan Sanstha, Shirur is not just another educational institution profiteering from the business of teaching. While founding this school par excellence, in Year 1989, Bapusahebji Thite, had a pellucid vision: provide quality education which is second to none. And coming from statesmanship, the initiatives of this ex-home minister of Maharashtra were fortified by his dynamism, commitment, dedication and his inherent spirit of philanthropy. Today, this sanctuary of higher learning has faculties ranging from Kindergarten to schools of Pharmacy, Management, and Industrial Training.

MISSION

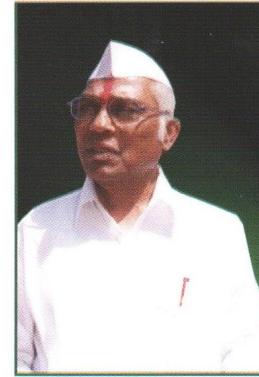

To become a centre of excellence imparting value-based Pharmacy education by empowering Pharmacy professionals with Gyan (knowledge) Buddhi (wisdom), Vivek (consciousness) and Swanyapurntha (self reliance). We also aim to inculcate ethical, social and moral values in all spheres of our training.

To create a centre of academic excellence in the field of Pharmacy education, training, research and management to produce the highest quality of professionals and altruistic leaders for the betterment of healthcare of the society. We provide knowledge and skill to enable them to hold on in their own in a global changing scenario.

VISION

From the Chairperson's Desk

Bapusaheb Thite
Founder President
(Ex. State Home Minister, M.S.)

India, of late, has grown into a world leader in terms of science and technology and their various branches, such as, Information Technology, Automobile Engineering, Pharmaceuticals and many more. Of these, the pharmaceutical industry has gained astounding growth where it can now compete with world leaders, in churning out top-quality products, that makes it imperative to mold well qualified and skilled Pharmacists that are competent to handle any tough job.

The teaching faculty at the Sitabai Thite College, headed by the young and energetic Principal Dwarkadas Baheti, is fully qualified to take up the challenge and impart that kind of value education. In the past 13 years, they have proved it by providing pharmacological masterminds that are currently serving industries, hospitals and pharmaceutical businesses.

From the Secretary's Desk

Rajendra Thite
Secretary

Being, probably, the fastest growing sector in India, the pharmaceutical field is making great contributions to our economy, especially in this age of industrial and service globalization which calls for fully qualified and competitive professionals.

Thirteen years ago, when we started this institution, we had recognized this need, and have ever since remained committed to this vision.

In our unsparing effort to create top ranking professionals, we have equipped ourselves with facilities as per the norms of AICTE, PCI, and the University of Pune. Our well equipped laboratories, computer labs, voluminous and informative library, round-the-clock internet facility, excellent residential accommodation for men and women, sports facilities, and so on are well governed by our dedicated faculty and staff.

Into this sanctuary of higher learning, we welcome young, studious and enterprising learners who have a vision into the future. Youth who are determined to learn and empower themselves so as to leave a legacy for tomorrow's India. Your life changed is what changes the nation!

PROFILE

The Sitabai Thite College of Pharmacy (Poly), established in Year 1995, is located in Shirur en route Pune to Shirdi and Aurangabad. It stands at equidistance by about 50 km from Pune and A'nagar. When this school of higher learning was erected, one of its primary goals was to impart quality education that would empower the upcoming generation to find self-employment. The institution kept steadily growing, and the Sitabai Thite College of Pharmacy came into being in Year 2001, and it offers advanced education in Pharmacy. Presently the college is offering B.Pharm and D.Pharm courses, and on the anvil are the post-graduate M.Pharm and PhD programmes.

The College enjoys the approval of various governing bodies like the All India Council for Technical Education (AICTE) New Delhi. The Pharmacy Council of India (PCI) New Delhi, recognized by the Govt of Maharashtra and affiliated to the University of Pune & MSBTE, Mumbai for both B. Pharm & D. Pharm respectively.

The College functioning is governed by Shri.Chhatrapati Sambhaji Shikshan Sanstha's (SCSSS) Governing Council and Local Management Committee. Built over the past 13 years, the infrastructure is not only grand and state-of-the-art, but also provides a conducive environment to the student who is determined to make it big in life. The modern facilities of the college includes a well equipped laboratory, computer lab, spacious classrooms, industrial pharmacy lab, a copious library that houses reference books, text books, periodicals, journals etc. Our enthusiastic and dynamic faculty is always ready to help the learner.

No wonder many of the country's successful Pharmacy professionals have gone from the portals of this temple of learning.

INFRASTRUCTURE

Complete with excellent infrastructure, spacious buildings are provided separately for D.Pharm and B.Pharm departments, admeasuring 2000 sq.mt. and 4000 sq.mt., respectively. And housed in these buildings are well-equipped laboratories, computer laboratories, voluminous libraries, a museum, spacious and airy classrooms, separate common rooms for boys and girls, a spacious auditorium, and recreational facilities. Also provided are residential facilities for boys and girls, which can accommodate 36 and 100 respectively.

Here, no stone is left unturned to ensure that the stay and study of each student is most enjoyable, beneficial, ultimately leading to his/her wholesome development.

LABORATORIES (B. Pharm)

As for pharmacy courses there is no compromise on practical exercises. And hence the college has set up 14 spacious and modern laboratories, as enumerated hereunder:

Pharmaceutics Department

- 1) Pharmaceutics - I
- 2) Pharmaceutics - II
- 3) Pharmaceutics - III
- 4) Industrial Pharmacy Lab

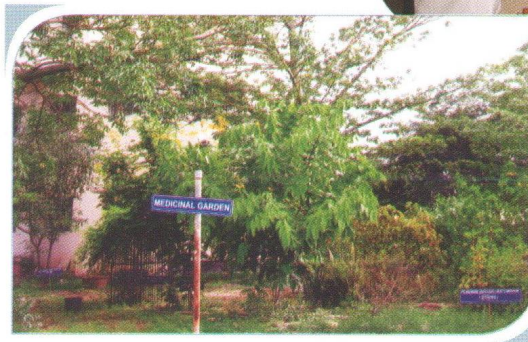

Pharma Chemistry Department

- 1) Pharma chemistry - I
- 2) Pharma chemistry - II

P'Analysis Department

- 1) P'analysis Lab
- 2) Instrument Lab

P'Cology Department

- 1) Pharmacology Lab

P'Cognosy Department

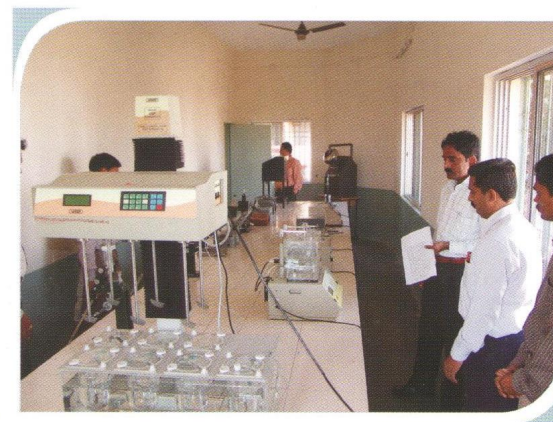

- 1) Pharmacognosy Lab

LABORATORIES (D. Pharm)

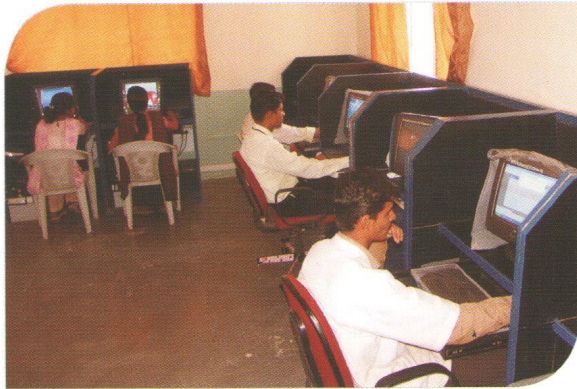

The following departments are available under D. Pharm:

- (1) Pharmaceutics lab
- (2) Pharma chemistry
- (3) Pharmacology lab
- (4) Pharmacy practice
- (5) Pharmacognosy lab

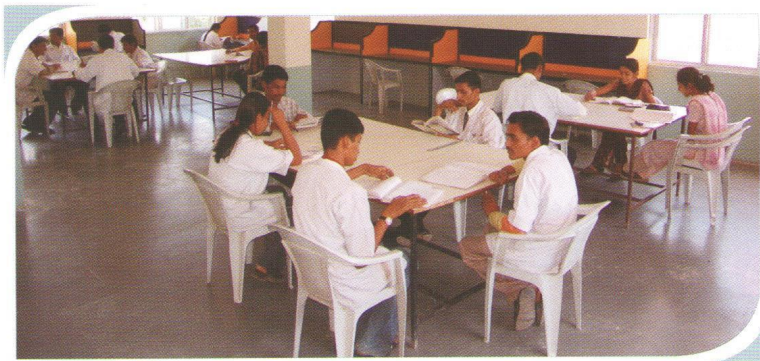

COMPUTER LAB

STCOP has a state-of-the-art computer laboratory with broadband internet connecting 40 IV computers and the network operates on windows NT/UNIX/LINUX Platforms.

LIBRARY

Besides on the topic of pharmacy, our library has a vast treasury of information covering a wide range of topics including language and literature, stored up in the form of books, journals, periodicals, reference volumes, and CDROMS. The library subscribes to about 35 national and international journals. All this greatly caters to our students' intellectual growth.

HOSTEL

Excellent are the hostel facilities provided for men and women, with capacities 36 and 100 respectively. Besides modern amenities, stringent security arrangements are a specialty of our hostels situated right on the campus. And the fee-structure is most reasonable.

Boys' Hostel

Girls' Hostel

SPORTS

The spacious college campus has playgrounds admeasuring 2.5 acres with facilities for a variety of sports such as Cricket, Volleyball, Football, Table Tennis, and so on.

FACULTY

Teaching staff (B. Pharm)

Teaching staff (D. Pharm)

If not a dedicated and dynamic team of teachers, what else could be the 'aatma' of an institute! Such a faculty has been our asset and our pride from Day One of our existence. Besides being well credentialed, our teachers are vibrant, dedicated and always ready to help the learners. Outside the routine classroom exercise, they have supportive activities like workshops, seminars, research projects, and much more. All these put together, the learning process becomes a meaningful and rewarding experience.

EXTRACURRICULAR ACTIVITIES

Recognizing that the inherent talents of each student are to be cultivated and promoted, the college provides them opportunities through various cultural events and festivals organized with revelry and jubilation. These events are also a great opportunity for students to exhibit and develop their organizing and leadership qualities.

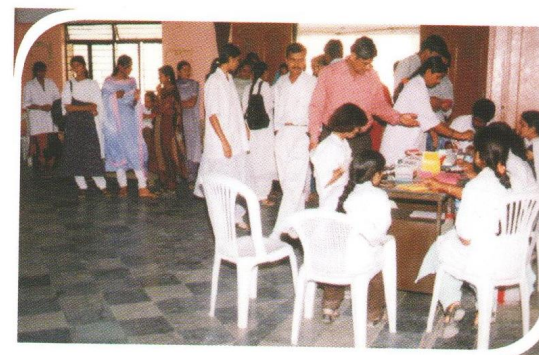

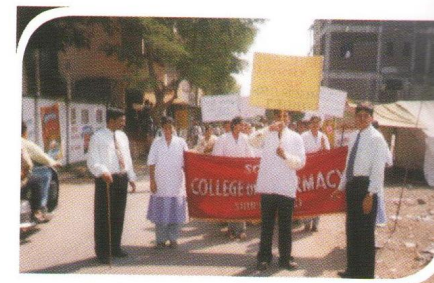

SPORTS ACTIVITY

The place of sports and athletics in academic life can never be over-emphasized, inasmuch as it inculcates confidence and team spirit. The College encourages the students to participate in various sports activities such as cricket, volley ball, kabbadi and others. It's an integral part of the campus life here.

SOCIAL AWARENESS

iming to make our students responsible citizens, they are assigned to organize social awareness programmes on HIV/AIDS, Chikungunia, Dengue fever etc, and environmental and personal hygiene. Health awareness programmes organized by the students include blood donation camps, blood group detection camps, and so on. Each year the college celebrates National Pharmacy Week.

ACHIEVEMENT

Gate 2009: Principal & staff and 19 students who appeared for Gate 2009 1st time in the history of the college 99% result

Scoring high in the Pune university and MSBTE board examinations, our students figure in the merit list every year. And in competitive examinations like GRE, TOFEL, IELTS, GATE, NIPER, CET etcetera, our students have come out with dashing colors.

EXTRACURRICULAR ACTIVITIES

Our college bagged the first prize at a dance competition in 2007 at Srujan of Baramati.

First prize for the patient counseling competition at IPA (Community Pharmacy Division) National Convention, Pune, was secured by the Diploma students, and this rapport created a bond with the college forever.

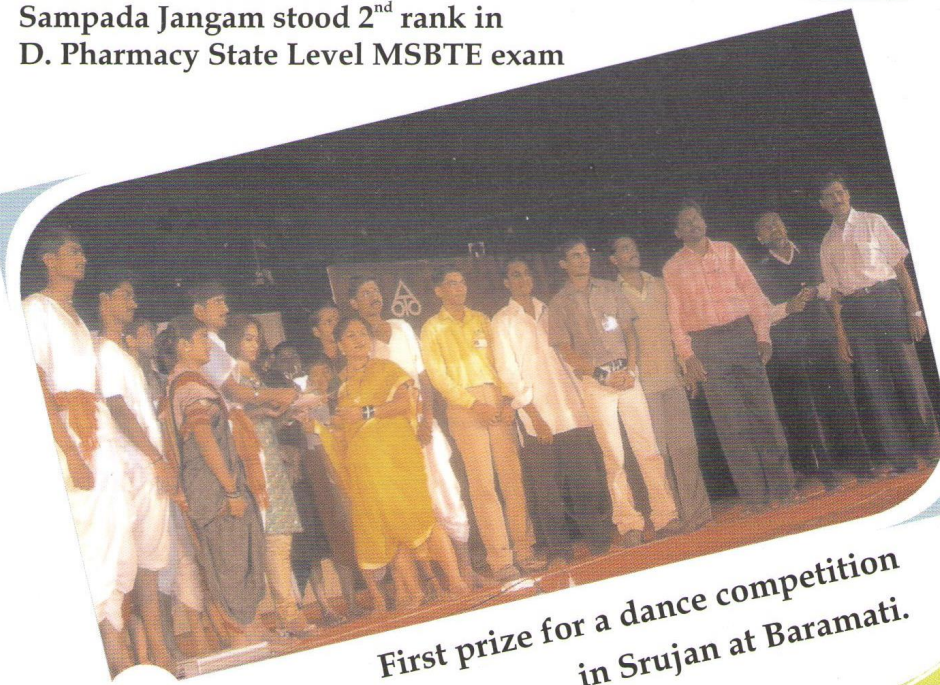

In national and state level seminars/workshops regularly organized by the college, on various subjects, resource persons from industries and the academic community come and share their expertise with the Pharma fraternity.

These activities keep us updated on developments in the Pharma and allied sectors.

Principal, Prof. Dwarkadas Baheti is member of the Academic council and Chairman of Board of studies (BOS) of Pharmacognosy.

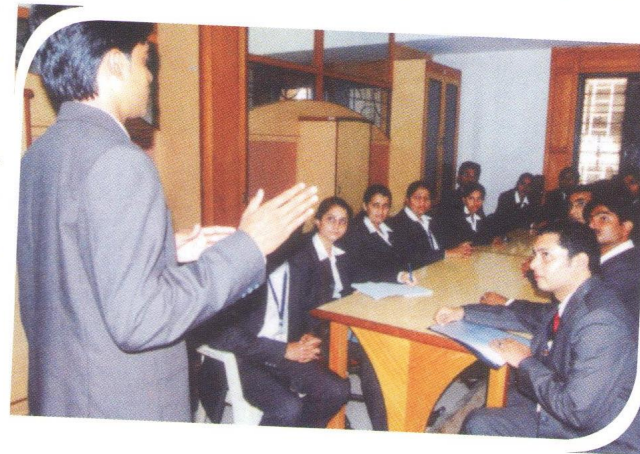

Sampada Jangam stood 2nd rank in D. Pharmacy State Level MSBTE exam

First prize for a dance competition in Srujan at Baramati.

TRAINING & PLACEMENT (TPC)

In this age of globalization, qualified hands are in great demand, and so the college has set up a TPC to explore the employment and entrepreneurial skills of our students. In order to develop the personality and interview technique of the students, even MOCK interviews are organized. The TPC even arranges campus interviews through which a majority get placement. The college also collects and displays advertisements in industrial training, and most of our students get recruited in companies like Lupin, Cipla, Murli-krishna, Fresenius Eddy, IPCA, and others.

STUDENT COUNSELING CELL (SCC)

By giving emotional support, academic and career guidance, tackling personal and psychological problems, the SCC plays an important role in the life of our students. They are also motivated to publish research papers, workshop reports and also participate in Pharmaceutical congress.

From the Principal's Desk

Ever since its inception in 1995, I have been privileged to work under the noble guidance of Bapusaheb Thite and Rajusaheb Thite at Sitabai Thite College of Pharmacy. 13 years has been a happy, meaningful and fulfilling journey. Looking forward, I aim to see that every student learn to dream big and make it happen through a life of perseverance, hard work, honesty and integrity. None of my students must lose out at the end. We believe in faith, mutual trust, and a strong bonding with all students.

It is our qualified and dedicated faculty that helps carve out our students' future. While the college is proud of the excellent infrastructure, facilities and amenities provided to both D.Pharm and B.Pharm students, we have more to do.

We help the students to keep themselves updated with latest developments, to engage in research and project works, paper presentation and so on. Students are helped through the training placement cell, student counseling cell, industry institute interaction cell, sports and cultural events, and a strong alumni. The contribution and the help rendered by Mr. Shah Amol (HOD of D'Pharm) and Mr. Shivajirao Padwal (College coordinator) are appreciable.

Nonetheless, we are not done; we have miles to go!
