INDEPENDENCE DAY

- Organized by: -SCSSS's college campus
- Venue:-College Ground, STCOP, Shirur
- Date:-15/08/2022

The **Independence Day of India**, which is celebrated religiously throughout the Country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. It was on 15th August 1947 that India was declared independent from British colonialism, and the reins of control were handed over to the leaders of the Country. India's gaining of independence was a tryst with destiny, as the struggle for freedom was a long and tiresome one, witnessing the sacrifices of many freedom fighters, who laid down their lives on the line. The **Independence Day** is celebrated all around India with flag-hosting, parades & cultural events. On this occasion students and all staff participate in flag hosting program & also a rally was organized to celebrate azadika amrit mohotsav.

INTERNATIONAL LITERACY DAY

Organized by: -SCSSS's college

Venue:-College Ground, STCOP, Shirur

Date:-08-09-2022

International Literacy Day takes place on September 8 every year to raise awareness and concern for literacy problems that exist within our own local communities as well as globally. International Literacy Day was founded by proclamation of The United Nations Educational, Scientific and Cultural Organization, or UNESCO, in 1966 "to remind the public of the importance of literacy as a matter of dignity and human rights." International Literacy Day brings ownership of the challenges of illiteracy back home to local communities where literacy begins, one person at a time. Observe this day by utilizing resources such as Scholaroo — a platform that provides information on scholarships from around the world.

On International Literacy Day, organizations and individualstake charge and use their literacy to encourage and assist those who are facing difficulties on how to read and write. Students and employed people volunteer to tutor children in the community, books are generously donated to libraries, and a student's tuition and learning are sponsored to launch their life-long success.

Reading motivation day celebrated with enthusiasm at Sitabai Thite College of

NATIONAL YOUTH DAY- VIVEKANAND JAYANTI, RAJMATA JIJAU JAYANTI

Organized by: -SCSSS's college campus

Venue:- College Auditorium, STCOP, Shirur

Date:-12-01-2023

History always remembers the significance of man but there were many women who left such an impact on history that even today their praise is sung, bravery is remembered. One such magnificent person of women's valour was Jijamata. Bunts Institute for High Education observed the Birth Anniversary of Jijamata in the honour of the great lady for her contribution to the life of her son, Chhatrapati Shivaji Maharaj. She was the source of information and motivation not only for her son but for the whole Maratha Empire and our country. The foundation of an independent Hindu nation was created by her son Shivaji Maharaj who made the dream come true. She was a daughter of a noble of Ahmednagar, Lakhoji Jadhav. Jijabai was born to Lakhoji Jadhav in Sindkhed territory of Vidharbh, Maharashtra in the year 1598 A.D. She was affectionately called as „Jijau“. Lakhoji Jadhav was a Yadava, traditionally the ruler of Devgiri. So, Jijau was actually the princess of Devgiri. She married to Shahaji Bhosale at very early age. Jijabai taught her son stories of bravery from ancient scriptures. She gave importance to martial art, to equip him for the role she nurtured Shivaji to play. Program started with a garlanding and candle lighting to the photograph of Rajmata Jijau by principal Sir, all faculty members and students. Suyog Jasud a student from F.Y. delivered a short speech, explaining the audience about

the teachings of Jijamata who nurtured her son to become The Great Shivaji Maharaj from young Shivba. She was the guiding force that inspired to fight the kingdom of Bijapur and Mughal domination for establishing the Maratha samrajya. Jijabai's life is a symbol of ideal motherhood. The program over with the slogans of jay jijau. Jijabai's journey is an example of how a mother can not only transform the fate of the society so the fate of the nation.

that Vivekananda was the only saint who is perceived as vishwaguru. Vivekananda addressed the Chicago conference with such humble words "My sisters and brothers of America" that it touched the soul of all present there in Chicago. Vivekananda's life is full of values and inspiration which motivate every person who has read his books. The younger generation instead of spending their quality time on unwanted things, should make their life more meaningful by studying Vivekananda and treading the path shown by

him. The inspiring stories of Swami Vivekananda made the session more captivating.

REPUBLIC DAY

Organized by: -SCSSS's college campus

Venue:-College Ground, STCOP, Shirur.

Date:-26-01-2023

Republic Day is the day when India marks and celebrates the date on which the **Constitution of India** came into effect on 26 January 1950. This replaced the **Government of India Act 1935** as the governing document of India, thus turning the nation into a **republic** separate from **British Raj**. The constitution was adopted by the **Indian Constituent Assembly** on 26 November 1949 and came into effect on 26 January 1950. 26 January was chosen as the date for Republic Day as it was on that day in 1930 when the **Declaration of Indian Independence** was proclaimed by the **Indian National Congress**. On the eve of the 74th Republic Day, I extend my heartiest greetings to every Indian, at home and abroad. **We will now enter the 75th year as a Republic**. From the day the Constitution came into effect to the present day, it has been an amazing journey that has inspired many other nations. All the students & Staff present for flag hosting.

Seven Day/ Night NSS Special Camp

Special Camping forms an integral part of National Service Scheme. It has a special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with the community.

The primary objectives of the special camping programs are:

- Making education more relevant to the present situation, to meet the felt needs of the communities and supplement the education of university/college/school students by bringing them face to face with the prevailing situation of the community.
- To provide opportunities for students to play their due roles in the implementation of various development programs by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in the improvement of the condition of weaker sections of the communities.
- Encouraging the students and non-student to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community.
- Building potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), with a view to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.
