## **RESEARCH POLICY**

**Policy:** This policy is meant for the promotion of research activity in the institute by faculty and students

**Promotion of research:** following steps will be taken by institute

- A. Allocation of seed money
- B. T.A.& D.A. given to faculty for attending scientific conferences
- C. Facilitate with respect to machineries, equipment and instruments.
- D. Chemical, glass ware, reagents & active ingredients.
- E. Availability of e-journal and library reference books.
- F. Well-equipped research lab.

**Procedure:**

Faculties and students are eligible for carrying out research work in the R&D department.

- They are allowed to utilize required equipment's, instruments machineries of institute for their research work without disturbing academic schedule of institute.
- For any requirements of chemicals, solvents or any consumable goods has to submit requisitions to store in advance the store prepares make available requirements of items in time.
- Faculty / students wish to carry research in institute R&D lab have to submit application

to research committee are required for approvals and its progress report quarterly or half yearly.

- Once the research work is completed and publication of research work has been UGC listed in journals. they copy of manuscripts should to be submitted for the record.
- Research committee will keep all research activity of relating to faculty or teacher of institute strictly confidential not divulge any one.
- Research committee may recommend to management for the approval of seed money whenever required once they approval is received it should be reimbursed depending upon progress of research.
- Research committee will ensure that there are no malpractices in conducting research and research is conducted honestly there is no plagiarism in research by using anti plagiarism software
- All they research work carried out in the institute needs approval by institute research committee and has to ensure that there is no plagiarism or malpractices in work.
- Any research found to be carried out by non –ethical ways research guides, principal investigator for fully responsible consequences. and fine or both.

## Objectives of Intellectual Property Right Cell

### Committee

The IPR Cell aims to conduct and execute different activities for the students and staff with following objectives:

- To recognize the importance of IPR and to educate the Students on basic concepts of Intellectual Property Rights.
- To provide a platform to showcase and to take their idea/ innovation forward to a logical conclusion.
- To provide assistance to faculty members, and students of ADCBP in assessing the patentability and commercial potential of their inventions.

## Roles and Responsibilities of Intellectual Property

### Right Committee

- The Chairman of the IPR CELL shall have the power to call a meeting of the Intellectual Property right committee.
- Organizing workshops, conferences and symposia based on intellectual property rights
- The minutes of the meetings of the committee shall be written by the member secretary.
- Action taken report of previous meeting shall be prepared by the member secretary and be presented on next meeting.
- After the end of Academic Year Member secretary shall submit a Report to the IPR Committee

## पारंपरिक दर्शन

# स्त्रियांच्या आजारांवर रामबाण औषधाची निर्मिती !

## शिरूरच्या सीताबाई थिटे औषधनिर्माण शास्त्र विद्यार्थ्यांची कामगिरी

### शिरूर : सतीश डोंगरे

महिलांचे शरीर पुरुषांपेक्षा अधिक संवेदनशील असते. स्त्रियांचे शारीरिक स्वरूप आणि हार्मोन्समुळे देखील काही आजार होतात. विशेषतः महिलांमध्ये आढळणारा पीसीओएस हा आजार दिवसेंदिवस गंभीर स्वरूप धारण करीत आहे. त्यामुळे शिरूरच्या सीताबाई थिटे औषधनिर्माण शास्त्र शाखेच्या प्राध्यापक आणि विद्यार्थ्यांनी यावर संशोधन करून आयु स्वास्थ्य नावाचे एक प्रभावी औषध बनविले आहे.

स्त्रियांमध्ये लठ्ठपणा, एका ठराविक वयानंतरही चेहऱ्यावर पुरळ येणे, अमेनोरिया किंवा मासिक पाळी न येणे, शरीरावर केसांची वाढ होणे, वंध्यत्व ही पीसीओएसची लक्षणे आहेत. तसेच काही महिलांना अनेकदा पोट फुगण्याची तक्रार असते. यातून स्त्रियांना मोठ्या त्रासाला सामोरे जावे लागते. यावर हे औषध अत्यंत गुणकारी ठरणार आहे.

शासनाच्यावतीने नुकत्याच भरविण्यात आलेल्या महाराष्ट्र स्टुडेंट इनोव्हेशन चॅलेंज मध्ये ७०० महाविद्यालयातून या विद्यार्थ्यांनी संशोधन या औषधाची जिल्हा पातळीवर निवड झाली आहे. सीताबाई थिटे कॉलेज ऑफ फार्मसीच्या प्रा. मोनाली परभणे यांच्या मार्गदर्शनाखाली हिताक्षी यादव, क्षितिजा खरात, पायल निंबाळकर, सलमान पटान आणि प्रज्वल सोनावणे

महिलांना डोळ्यासमोर ठेऊन या औषधाची किंमत ठरविण्यात आली आहे. महिलांमधील पीसीओएस या आजाराबरोबरच या औषधामुळे शरीराला अनेक फायदे बघायला मिळालेले आहेत. मधुमेहासारखा आजार ही नियंत्रित ठेवण्यास हे औषध मदत करते, त्याचबरोबर थायरॉईडवर गुणकारी आणि शरीराची रोगप्रतिकारकशक्ती वाढवते, वजन कमी करते, शरीराची चयपचय क्रिया सुधारते, पचनक्रिया सुरळीत करते आणि हे औषध प्रथिनांचा देखील

## आयु स्वास्थ्य औषधाच्या पेटंटसाठी प्रयत्न !

महिलांमधील विविध आजारांमध्ये दिवसेंदिवस मोठी वाढ होत आहे. त्यामुळे महिलांवरिल आजारांवर प्रभावशाली असे आयु स्वास्थ्य नावाचे अत्यंत गुणकारी अशा औषधाची आम्ही निर्मिती केली आहे. कॅल्शियम जास्त आणि हे औषध पूर्णपणे हर्बल आहे. शिवाय किंमत ही कमी ठेवण्यात आली आहे. आता आमचे या औषधासाठी पेटंट मिळवणे यासाठी प्रयत्न सुरु आहेत.

### प्रा. मोनाली परभणे

सीताबाई थिटे फार्मसी कॉलेज, शिरूर

या पाच विद्यार्थ्यांनी यावर संशोधन करून त्याच्या प्रमाणित लॅबमधून चाचण्या करून या गुणकारी आयुर्वेदिक औषधांची निर्मिती केली आहे. विशेष म्हणजे या आजारावर सध्या बाजारात उपलब्ध असलेल्या इतर औषधांच्या तुलनेत आयु स्वास्थ्य हे औषध अत्यंत प्रभावशाली गुणकारी आणि इतर औषधांपेक्षा निम्म्या दरात उपलब्ध होणार आहे. ग्रामीण भागातील

उत्तम साठा आहे. या संशोधनाबद्दल संस्थेचे अध्यक्ष डॉ. राजेंद्र थिटे, सचिव धनंजय थिटे यांनी विद्यार्थ्यांचा स्तकार केला. महाविद्यालयाचे प्राचार्य डॉ. द्वारकादास बाहेरी, सर्व शिक्षक, शिक्षकेतर कर्मचारी यांनी विद्यार्थ्यां तसेच मार्गदर्शक प्रा. मोनाली परभणे यांचे अभिनंदन केले.

## Innovation & Startup Cell

AICTE Start-up Policy Implementation Unit has initiated many concentrated efforts towards policy and program convergences and ecosystem streamlining in association with various leading national and international ecosystem enablers at multiple levels.

### AICTE POLICY:

- To help in creating larger number of student driven innovations and start-ups to happen and which will add economic and social value to the country's growth, the following strategies would be adopted:
- Generate awareness at national, state and university level to encourage students to take up entrepreneurship as a preferred career choice.
- Engage diversified ecosystem enablers/stakeholders towards supporting various programs on innovation and entrepreneurship in AICTE affiliated institutions.

- Provide exposure and leadership opportunities for students to participate in innovation and entrepreneurship related activities.
- Advocate policy measures and guidelines for institutions and universities to increase their participation in promoting and supporting student innovations and entrepreneurship related activities in their respective campuses and locality.
- Undertake collective and concentrated efforts towards identifying, scouting, acknowledging, supporting and rewarding proven student ideas and innovations and further facilitate their entrepreneurial journey.
- Develop in-house mentor pool on innovation and entrepreneurship at institutional level through capacity building programmes/training activities for faculty.
- Initiate capacity and capability development programmes for student to promote the culture of curiosity driven innovation in their respective institutions.
- Re-orient the academic curriculum and pedagogy with a strong focus on promoting innovation and entrepreneurship
- Develop customized teaching and training materials for start-ups and engage them in pre-start-up/pre-incubation activities, to help them grow in a sustainable manner.
- Strengthen the support system for the student innovations and start-ups in pre-incubation phase and create a pipeline for key market enablers such as incubation centres, acceleration units and investors etc, to support them.

Shri Chhatrapati Sambhaji Shikshan Sanstha's Sitabai Thite College of Pharmacy has well-defined research and innovation ecosystem. The College has established Institution's Innovation Council Cell (IIC), and Research and Development Cell (RDC) to systematically promote the culture of innovation and related activities among students and faculty members. The Promotion of research, start-up, and intellectual property

## **Institution's Innovation Council (IIC)**

### **INTRODUCTION**

Shri Chhatrapati Sambhaji Shikshan Sanstha's Sitabai Thite College of Pharmacy, Shirur (Pune), established Institution's Innovation Council (IIC) to promote innovation-based ecosystem on the campus. IIC encourages creativity of students and faculties by supporting them to work with new ideas and transform them into prototypes. IIC also conducts various brainstorming sessions and competitions to create a vibrant environment of start-up and entrepreneurship. An important trend is that educational institutions in India are beginning to play a vital role in developing entrepreneurial competencies and include entrepreneurship as a core course in technical and business education. A greater emphasis has been laid in recent years on benefits of entrepreneurial focused education at universities, instilling confidence in students to turn ideas into reality. This cell aims to boost the entire innovation value chain by amalgamating the knowledge and enriching experience from the researchers, academic and research institutes, start-ups and industry to foster an innovation culture at the institutional level ecosystem.

### **OBJECTIVES**

- To create a vibrant innovation ecosystem.
- Establish an ecosystem for scouting ideas and pre-incubator for ideas.
- Develop better cognitive abilities amongst students.
- To extrapolate the student's projects to achieve national sustainable goals and thus to inculcate social responsive behaviour among students.
- To provide a platform for entrepreneurship development and encourage the students to choose entrepreneurship as their careers.

7.	Mr. Sudarshan Mourya	Student Representative	Member
8.	Ms. Shivani K. Mokate	Student Representative	Member

**STRATEGIC PLAN FOR INSTITUTION'S INNOVATION COUNCIL (IIC):**

The functions of IIC will be:

- To conduct various innovation and entrepreneurship-related activities prescribed by MIC in a time-bound fashion.
- Identify and reward innovations and share success stories.
- Organize periodic workshops, seminars and interactions with entrepreneurs, investors and professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.
- Create STCOP's innovation portal to highlight innovative projects carried out by the Institution's faculty members and students.
- Organize Hackathons, Idea Competitions, Mini challenges, etc. with the involvement of industrial partners.
